## Conduct of Student Athletes

- Be respectful of the coaches, players, game officials, and opposing team members, coaches, and spectators. Arguing with a referee or the coach will be grounds for being removed from the game. Disagreements with an official will be addressed through the team Captain or Coach.
- Exhibit diligence in attending practice and games, endeavoring to be punctual and ready to play.
- Exhibit good sportsmanship towards team members, opposing players, referees, and spectators.
- Strive for excellence in athletic skills, especially those focused on building teamwork.
- Language will always be edifying.
- Dress will be modest.
- Students will not sacrifice academic pursuits for playing athletics. Education will take priority over playing athletics.
- Play by the rules and the spirit of the game.
- Treat all participants as you would like to be treated.
- Respect the rights, dignity and worth of all participants regardless of their gender, ability, cultural background or religion.

I agree to abide by this Code of Conduct of Bloomington Bobcats.
